GALACTIC MAPPING GRID

•# Uncolonized System and I.D. Number

⊙# Colonized System and I.D. Number

SUGGESTION:

Mark fleet letter notations in soft-lead pencil. Update movements of fleets during each turn.

Star Systems' locations and their respective I.D. Number may be recorded in pen. However, keep in mind that "ownership" of any one system is subject to change during the course of the game. Make "colonization" marks in pencil.
